

Learning Partnership Preferences Form- Confidential

Your Name:

*In order to assist staff in the process of matching learning partners, please complete the following form and return it to staff during the Fall learning circle (**by noon of the second Friday**). Partnerships will be “announced” no later than the following Monday.*

Once matched, we encourage you to make intentional connections with your learning partners during the remainder of the learning circle. This could be a chance to share information and preferred approaches to partnership.

1. Please review the Learning Partner Job Description. Indicate two or three qualities that are especially important to you in being assigned a learning partner. (i.e. what are the qualities in a learning partner that would enhance your learning?).
2. Please indicate what your hopes or expectations are regarding ongoing contact (frequency and timing of responding, mode of communication, style of comments and responses, confidentiality, etc.).
3. List the names of three or four people you would be interested in as your learning partner for the Theme Year.
4. List the names of any persons you feel would impede your learning as a learning partner.
5. Given the understanding that it is challenging to satisfy everyone’s needs in terms of matching learning partners, is there anything that staff need to know about your preferences or needs?
