There are many Bed and Breakfast homes in Winnipeg. You can find a list at www.bbcanada.com (a national site, follow the links to Winnipeg).

Estimated walking distances are given above to give you a general idea – however, if you prefer not to walk, there is excellent bus service between Woodsworth House (and the Maryland Street hostel and guest house) and the University.

Transportation in Winnipeg

You will be responsible for getting to your accommodation and to the Learning Circle meeting space on your own.

Winnipeg has an international airport (www.waa.ca). The Greyhound bus terminal is also located at the airport. Taxis are available from the airport (about \$15). The #15 Mountain bus would take you from the airport to the University/Booth College area (or check with the driver about transferring to a #17, #20 or #29 for Maryland Street). The #11 bus runs along Portage Avenue between the University area and Maryland. The #29 runs south down Maryland.

Bus Fare on Winnipeg Transit is \$2.50 per trip for adults and schedule information is available at www.winnipegtransit.com.

A map of the area is enclosed.

Parking

There is some street parking near Woodsworth House, but it is time-limited (and cars parked on Maryland during rush hour will get towed). There is a parking garage adjacent to the University with a daily rate in excess of \$5.00. Very limited street parking is available in the area and it requires regular meter feeding.

Meals

You are responsible for getting your own meals. There are a number of restaurants and grocery stores in the area. (See partial list below.) As well the Booth College dining room has lunches and dinners. Occasionally CCS students have the opportunity to gather for a shared meal. Please return the enclosed Student Information sheet with information about dietary restrictions.

Coffee/tea/snack breaks

There will be breaks each morning and each afternoon during Learning Circles. There is a common pot to cover the costs of coffee/tea/snacks, and responsibility for set-up and clean-up is shared throughout the Learning Circle.
